

Meeting of SR4 HOA Board

August 12, 2017

Location: Barbara League's home

Meeting start time: 11 AM

End time: 11:30 AM

Present: Barbara League, Bob Evans, Ed Sacks

1. Board members walked the perimeter of HOA fences for about an hour, to see which ones are in need of repair. The Board found 8-10 posts and a few rails needing repair or replacement. In addition, Ed will send out an email asking people to report bad posts or rails for the HOA fences abutting their property.
2. A house reported as neglected is in better shape now – the owners have taken action.
3. One person's property has extended their cultivated yard into the open space. The Board will need to address this.
4. Bob will contact Merilee about arranging for mowing HOA space right behind Longwood properties.
5. Bob will call a management company to inquire about costs and services.
6. Barbara will research the transfer of the web page from Katherine Velasco.
7. Board will arrange to meet with Katherine the last week of September, to learn more about the different responsibilities she's been handling over the years.

Respectfully submitted,

Ed Sacks, Secretary
